Minister Petitpas Taylor

Please take action to protect animals from cruel cosmetic testing

The Hon. Ginette Petitpas Taylor
Minister of Health
House of Commons
Ottawa, ON K1A 0A6

Dear Minister Petitpas Taylor,

You have the power to protect this little rabbit and others like her from suffering in testing labs. You have the power to stop the sale of cosmetics in Canada that have been newly animal tested in other parts of the world.

I urge you to support the Cruelty Free Cosmetics Act to end cosmetic animal testing and trade in Canada. The European Union, Israel, India and other progressive nations have already taken a stand against animal suffering in the beauty industry, and it's time for Canada to follow their example.

Please Minister, make 2018 the year Canada turns its back on cruel cosmetics by enacting the Cruelty Free Cosmetics Act.

Sincerely,
